My comments on the Draft EIR/EIS are:

*I think your Route #4, is terrible, it demolishes so many expensive properties, leave alone all the property taxes the County will lose. It also destroys the full value of all homes the owners of the lake and wiped out all life savings of our Senior Citizen. Highway cost's 3.64 Billion. Alternative #9 is the most favorite Route, it does not impact so many houses, its the most economical, and does not leave us homeless.*
