My comments on the Draft EIR/EIS are:

We prefer alternative 9, Alternative 9 cost millions less and has much less impact on homes, people and protected habitat. It doesn't make sense to rip out 29 homes that pay a lot of taxes supporting Riverside County plus paying more money to whip them out. Coyales has already been widened and upgraded. It makes more sense to have 2 routes; Alternative nine and combine to use Coyales Rd as is.
