Subject: World Logistics Center's Draft EIR (SCH#2012021045) and
Planning Cases PA 12-0011, 0012, 0013, 0014 and 0015

I/we, the undersigned, are homeowners in the City of Moreno Valley at the address listed below. We want to make sure that the World Logistics Center has as little impact on our neighborhood as possible. We ask that you incorporate the following mitigation measures:

- Please move all truck traffic off Merwin Street. Relocate Streets D and E as shown on the World Logistics Center Site Plan 500 to 1000 feet east of Merwin Street. Remove all truck traffic from Merwin street.
- Please require all security lights to use cutoff luminaires and be located on buildings no higher than 25 feet off the ground.
- Please require a 100 foot wide greenbelt area between the residential neighborhoods and the World Logistics Center buildings or streets.
-

Sincerely,

Jay / CEO
