My comments on the Draft EIR/EIS are:

Prefer Alt. 9. least disruptive to environment.  
Against Alt. 4, 5, 6 & 7 protect our Lake, natural habitat of  
wildlife & residences.  
Will not alleviate congestion for 91, 215 & 15 will just create  
further congestion, needs to be pulled south.

My comments on the Draft EIR/EIS are:

Steve & Jaimi Ruedd strongly oppose Alternatives 6 & 7 as they have the greatest impact to existing habitats, agricultural lands, cultural & historic resources, existing properties, residences, and businesses. We also oppose alternatives 6 & 7 based on the fact that alternatives 6 & 7 are the most costly.

My comments on the Draft EIR/EIS are:

This road should 'only' go through San Jacinto Hills to initially imposed  
to save financial, environment & beautification issues.

My comments on the Draft EIR/EIS are:

I am 78 years old. I live on corner Placentia st. and Patterson. I live here some place over 50 years. My parcel # 31720019-7. My son is a disabled American Veteran. He lives behind me. His parcel # 3172600-20-7 is a Rental Mobile Home income for him. His home is behind mobile Home Parcel # 3172600-21-8. Mid County will take my parcel and his rental income parcel. So I will be displaced and he will be force to survive alone without my help? Or would a Granny Flat behind his house be possible? I dont want to move, but if I have to, so be it.

I feel that this new road will help ease traffic in our neighborhoods. The preferred alternative 9 option is ideal and cost effective.

My comments on the Draft EIR/EIS are:

I DON'T THINK THERE IS ANYTHING BUT ROUTE 9 + 9TWS AND I WOULD  
SUPPORT ~~THE ROUTE~~ EITHER OF THESE ROUTES. NOT ONLY ARE THEY  
MORE ECONOMICAL BUT LESS DISTURBING TO HUMANS + OUR ECOSYSTEM.  
WIDENING OF EL SIERRA I WOULD NOT SUPPORT BECAUSE OF INCREASED  
TRAFFIC, POLLUTION + IMPACT ON RESERVOIR + RESIDENTIAL AREA.  
I WOULD NOT SUPPORT ANY OTHER ALTERNATIVES.

My comments on the Draft EIR/EIS are:

I SUPPORT ROUTE 9 & 9TWS DV FOR MIDCOUNTRY PARKWAY AS THE MOST ECONOMICAL TO CONSTRUCT, LEAST DISTURBING TO HUMANS & ECOSYSTEM, AND MOST EFFICIENT TRAFFIC FLOW FOR THE EAST-WEST CORRIDOR.

I DO NOT SUPPORT ANY OTHER PROPOSED ALTERNATIVES.

I DO NOT SUPPORT WIDENING OF EL SOBRANTE AT ALL because of the POLLUTION OF ALL TYPES & INCREASED TRAFFIC IMPACT ON RESIDENTIAL AREA & RESERVOIR.

My comments on the Draft EIR/EIS are:

Midway County Parkway should continue the original  
route through San Jacinto Hills. Infrastructure too close to  
Tulake Meadows would be unattractive & too costly, major disruption  
of environment.
