My comments on the Draft EIR/EIS are:

Bedford
Corona Rd. // We appear to be near one of the proposed loops off the I-15/EI
deserto rd. We are concerned about ~~the~~ changes in access,
traffic and eminent domain. Also, will there be any
sound walls added along the 15? Also - Bicycle
and pedestrian access across the I-15 at Cajalco Rd. + along Bedford
Corona Rd. There's no legal ^{access} access right now! (Do we need a lawyer?)

My comments on the Draft EIR/EIS are:

Is this a county wide tax to fund project or local?
Is this a toll road project?

Does Caltrans have control of the project by
pre-emption over county rights? If so...
