CITY OF MORENO VALLEY
Planning Division

APR 18-13

TO PLANNING COMMISSION
MARK GROSS AICP SENIOR PLANNER

RE SCH 201202-1045

I AM A 25 YEAR RESIDENT OF THE EAST END
OF MORENO VALLEY LIVING OFF REDLANDS
BLVD. OUR TOWN HAS GROWN FROM A
COMMUNITY OF APPROXIMATELY 60,000 TO
A CITY OF CLOSE TO 200,000 PEOPLE IN
THE LAST 25 YEARS.

THERE HAS BEEN ALMOST ZERO IMPROVEMENT
TO THE ROADS IN THIS AREA. HWY 60
EAST OF REDLAND BLVD IS STILL A ~~4~~ LANE ^{FRY}
ROAD EAST ^{BOUND}; GILLIAM SPRINGS IS THE
SAME AS IT HAS BEEN, A DANGEROUS 2 LANE
ROAD. SAN TIMATEO IS STILL A DANGEROUS
2 LANE ROAD. TRAFFIC IS NEAR BRIDLOCK
ON THESE ROADS AT PEAK HOURS OF TRAVEL.

THE ROADS AND POLLUTION ARE NEARLY
TO THE POINT OF MAKING MORENO VALLEY
ONE OF THE WORST CITIES IN CALIFORNIA
TO LIVE. IF THIS WAREHOUSE PROJECT
HAPPENS IT WILL BE INTOLERABLE

FROM THE ADDED POLLUTION AND TRAFFIC.
ALONG; NOT EVEN CONSIDERING THE OTHER PROBLEMS.
THE SKETCHER'S WAREHOUSE WAS
ALLOWED TO BE BUILT AGAINST
THE PLANNING DEPARTMENT'S APPROVAL
AND I HOPE THAT REASON AND
COMMON SENSE WILL PREVAIL
AND THIS NEW PROJECT WILL BE
VOTED DOWN, AS IT IS WRONG ON
SO MANY LEVELS AND IS NOT
RIGHT FOR MYSELF AND MANY OF US
ON THE EAST END OF THE VALLEY
AND ADJOINING AREAS WHICH WILL BE IMPACTED.
