Comments:

our valley needs this mid county park way. If you were living here during the very high wind storm of 2007 I think our valley was cut-off from getting out of our valley. I travel this present road often it is very busy and illegal passing goes on all the time. Please consider this project it is very much needed to our area.

P-33-1

Comments:

I am all for the Mid County Parkway Project, all of us who live in the Hemet/ San Jacinto Valley can benefit from road improvements. Thank you
