Hi Cathy:

I live on Saint Austell Way in Perris, Villages of Avalon.

1 mile from the dam and one mile from many of your proposed routes.

P-7-1

Where on your impact report is the analysis of the Perris Dam project?

Your project will occur during the same time period as the Perris Dam upgrade project.

We homeowners should NOT need to be inconvenienced for years?

P-7-2

Our home values have already taken a huge hit and our quality of life will take another hit for years.

The Perris Dam project is scheduled to be 5 years which means 7 years.

How long will your project take?

P-7-3

What is the daily penalty for the contractor if the Parkway Project is not finished on time?

Please advise.

P-7-4

Thanks and regards,

Linden Gray
